AgedCareAI

Innovation Philosophy

Governance for your organisation.

Policies, Continuous Improvement Plans, Meetings, Risks and Board Papers in one governed place, always current and ready for the auditor.

Documents
Write, review, approve and share policies in one place. Everyone sees the latest version.

Forms and surveys
Capture the evidence you need as part of the work, not afterwards.

Continuous improvement
Every improvement has an owner, a due date and a clear status. Nothing slips through.

Committees and risk
Meetings, decisions and your risk register kept together.

Audit readiness
Evidence gathered as you go, with clear reports for your board and quality team.

Board reporting
Clear, consistent board packs drawn from your own information, without the scramble.

Staff hub
Staff read new policies on their phone, confirm, and ask questions. See who is up to date.

AN-ACC and analytics
Understand your funding and performance with the information you already hold.

AND MANY MORE

SIRS | Feedback and complaints | Contracts and suppliers | Maintenance and assets | Hazard register | Compliance calendar | Workforce compliance

One overview per role

Compliance for quality teams, actions due for managers, risks and reports for executives and boards. Everything organised, current and in one place.

Built around the rules you live by. Designed with the Aged Care Act 2024 in mind, with improvement, feedback and risk mapped to the seven strengthened Quality Standards.

Private and secure. Built with the Australian Privacy Principles in mind. Sign in supports two factor authentication, with a record of approvals and actions.
